TO WHOM IT MAY CONCERN

I, Mr. M Azar, declare that Jager Technologies (Pty) Ltd, installed a 3 kW grid-tie solar generation system and a 4 kW off-grid system at my home, and that both systems work as expected. The installation was done in a safe, neat and professional manner. Jager Technologies also installed a Smart Meter to facilitate feeding back onto the local grid.

If any questions arise from this discussion, you are welcome to contact me.

MJ Azar (Owner)
