### TO WHOM IT MAY CONCERN

I, Roelof Visagie, declare that Jager Technologies (Pty) Ltd, installed a 4.2 kW grid-tie solar generation system on my premises at Ray Champion Avenue, Lilyvale, Bloemfontein, and that the grid-tie system works as expected. The installation was done in a safe, neat and professional manner. Generation load profiles are available on request from Jager Technologies.

A handwritten signature in black ink, appearing to read "Roelof Visagie", written over a vertical line that extends down the page.
